Summary:

Annual fees for a member club are:

- \$75.00 Membership
- Event Certificate Fee
- \$50.00 Banquet
- \$11.00 per member unit

All Fees' charged by a host club at their individual event are retained by the Host Club. There is a small fee submitted to NWACC for participants at a NWACC sanctioned Club event.

If a member club hosts the year-end banquet, (this generally occurs in November of each year) a raffle is held by the host club. The banquet fees above are used for the purchase of raffle prizes. 50% of the raffle ticket proceeds go to the host club and 50% go to NWACC.

If a scheduled NWACC meeting is to be held during an NWACC-sanctioned event, the host club is responsible for providing an adequate meeting facility at or near the event.

Each club must appoint or elect a minimum of one (1) representative to attend all NWACC meetings or other official functions. The cost of this attendance is bore by the participating club or representative and is not reimbursable by NWACC.

The host club shall provide adequate liability insurance, commensurate with the type of activity and the event site. The cost of the issuance of a individual event Insurance Certificate is the responsibility of the Host club. (See NWACC Insurance Advantage of Club Membership)

Insurance coverage in excess of the basic third party Single Limit Liability coverage is not available through NWACC.
